

International Association of Berkeley Law Alumni in Europe: last Berkeley connected events for 2022-23.

Beginning of March of March, Liza JIMENEZ, Associate Director of Global Outreach, LL.M. Programs, Dominique DUMAS (IABA member), attorney at the Bar of Paris, and Marco PORTILLO (LLM 2015) met at *The Particulier* in Montmartre to congratulate the applicants who have received a positive answer for the BerkeleyLLM Program. It seems that they had a good time 😊

On November 8th, 2022 six California campuses, included UC Berkeley, organized a join presentation of their respective law school LLM programs at the Fulbright Commission in Paris.

Claude FERRY (president of IABA) and Gilles Assant (attorney at the Bar of Paris, IABA member) were there to provide complementary information to the would be applicants and to let them know about IABA and its *LinkedIn* account.
